Dear Families of Fern Bacon,

As we transition into the second semester, we would like to acknowledge the hard work of many students who are on the right track for a successful school year!

This letter is to provide you with information regarding the End-of-Year activities planned to celebrate and recognize students' accomplishments this school year. It is essential that students and parents understand the importance of staying focused on academics and good citizenship grade in all classes.

Please note that eligibility for participation in school events requires students to maintain appropriate behavior in and out of the classroom and maintain passing grades academically. Students receiving an F grade in any course and / or N grade in citizenship will not be allowed to participate in any of the activities listed below. Suspensions of any kind may also-prohibit the student from attending / participating in these events as well.

We encourage all students to achieve passing grades and satisfactory citizenship grades to be eligible to participate in these special, End-of-the-Year activities. Please stay in close contact with your child's teachers to ensure they are in good standing to participate in the activities.
